NISAN EVENTS

Nisan as the first month of the calendar is full of events. Here is a description of some of the events:

Arvit & Nisan - On the first 13 Days of Nisan, the Arvit service will be followed by a special service known as Seder Limud LeChodesh Nisan. Each of the first 12 days is the seed for each month of the coming year, each day we connect to the sign of the month of that day and to the Tribe and Divine Name Permutation.

12:30 AM Keriat Yam Suf - On April 21st is the last night of Pesach and we do a special service with Keriat Yam Suf (Reading of The Splitting of the Sea of Reeds).

Arvit & Omer - Each day of the period of the Omer the Sefirat HaOmer (Counting of The Omer) will follow the daily Arvit service.
